Monthly Indicators

Carroll, Stark, and Trumbull counties

February 2024

U.S. existing-home sales grew 3.1% month-over-month to a seasonally adjusted annual rate of 4.00 million, exceeding economists' expectations and marking the strongest sales pace since August 2023, according to the National Association of REALTORS® (NAR). Falling interest rates late last year, coupled with a recent uptick in inventory, helped existing-home sales to climb following last month's decline, with monthly gains reported in the Midwest, South, and West regions.

New Listings increased 7.8 percent for Single Family homes and 20.0 percent for Townhouse/Condo homes. Pending Sales increased 1.8 percent for Single Family homes but decreased 12.0 percent for Townhouse/Condo homes. Inventory increased 16.0 percent for Single Family homes and 25.6 percent for Townhouse/Condo homes.

Median Sales Price increased 11.4 percent to \$179,900 for Single Family homes and 4.9 percent to \$203,500 for Townhouse/Condo homes. Days on Market remained flat for Single Family homes but decreased 34.6 percent for Townhouse/Condo properties. Months Supply of Inventory increased 25.0 percent for Single Family homes and 30.8 percent for Townhouse/Condo homes.

Total inventory heading into February stood at 1.01 million units, a 2% increase from the previous month and a 3.1% increase from the same time last year, for a 3 months' supply at the current sales pace, according to NAR. Although buyers may find additional options in their home search, inventory remains below the 5-6 months' supply of a balanced market, and demand is exceeding supply. As a result, existing-home sales prices have continued to rise, climbing 5.1% year-over-year to \$379,100.

Housing Affordability Index

This index measures housing affordability for the region. For example, an index of 120 means the median household income is 120% of what is necessary to qualify for the median-priced home under prevailing interest rates. A higher number means greater affordability.

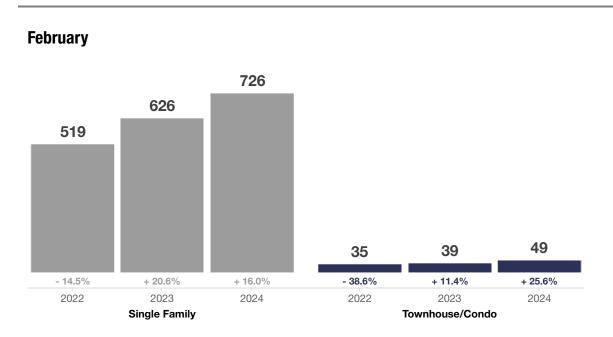

Affordability Index	Single Family	Year-Over-Year Change	Townhouse / Condo	Year-Over-Year Change
